Status	Approved
Owner	CISO

Top level policy *(mandatory)*

Standards *(mandatory)*

Rules *(mandatory)* **Guidelines** *(supporting)* **Tools** *(supporting)*

Summary

This document sets out how KPN employees must handle secret information in their daily work, for example when producing, distributing, printing and sending documents and when storing and destroying information.

Version history

Version	Date	Comments
v1.0	1 October 2013	Approved in SSM
v1.1	12 October 2013	Updated based on consistency check
v1.2	1 August 2014	Included guideline Information Classification
v1.3	13 November 2015	Textual improvements
v1.4	3 February 2017	R04 and R08: Tightening of the text as a result of the annual review

Disclaimer

ID	KSP-FA03-RL02-R01
Title	<u>Labelling secret information</u>
Description	Documents containing information that is considered secret (as defined in KSP-FA03-ST01-R03) must contain the word "Secret" or "Geheim" on each page.
Relating document	KSP-FA03-ST01 - Information handling KSP-FA03-GL01 - Information classification

ID	KSP-FA03-RL02-R02
Title	<u>Date secret information</u>
Description	In most cases the classification "Secret/Geheim" is only temporary. Documents labelled "Secret" or "Geheim" according to KSP-FA03-RL02-R01, while the information is only considered sensitive until a specific date, must specify this date with the label, e.g. "Secret until 01-01-2016".

ID	KSP-FA03-RL02-R03
Title	Registration receivers of secret information
Description	Secret information must by only available to authorized people which are in a list added to the document. Copies of secret informative must be individually numbered and an individual that has received such a copy must have signed for this in a register.
Relating document	KSP-FA03-ST01 - Information handling

ID	KSP-FA03-RL02-R04
Title	Duplicating secret information
Description	Duplication of secret documents is not allowed, unless provable permitted by the author or owner of the document. The individual receiving a numbered copy of a document that is labelled "Secret" or "Geheim", remains accountable for every copy of that numbered document that will be made. (To ensure traceability, it helps to put the number of the copy on each page).
